

ACity Student Commitments

➤ Commitment To Academic Excellence

To strive excellently in my studies by taking advantage of all the learning resources available and to be a well-rounded student, through ACity's learning pillars, i.e. Experiential Learning, Unified Learning, Contextual Learning, and Extensional Learning.

➤ Commitment To Respect And Peace

- I commit to being fully responsible and accountable for personal actions.
- I commit to respecting diversity in people, ideas, and opinions.
- I commit to being determined to use peaceful and amicable measures in solving problems and eschewing all forms of violence.

➤ Commitment To Protecting Properties

I commit to being responsible in my use of ACity properties. I should be held accountable for all damages I incur on myself in the use of these facilities.

➤ Commitment To The Environment And Sustainability

I commit to making positive impactful contributions to the ACity environment by helping to keep a sustainable and environmentally friendly campus.

➤ Commitment To Health And Safety

- I commit to prioritizing my health (Mental, Physical, Social) and safety and overall wellbeing and to duly observe all health and safety-related protocols.
- I commit to eschewing activities that could lead to negatively impacting the health (Mental, Physical, Social) and safety of others.

➤ Commitment To Ethical Decisions

- I commit to being transparent, honest and to make integrous ethical decisions at all times.
- I commit to maintaining the highest standards of behavior and to be guided by these commitments both in letter and spirit.
