ACITY EMBARKS ON SUSTAIN CITY PROJECT

ACitizens embarked on an innovative project dubbed 'Sustain City Project' aimed at eradicating plastics waste generated at Academic City and its environs.

Through this project, we introduced the waste buy-back program for communities, undertook research in recycling of waste and partnered with recycling companies to alleviate plastic waste in the country.

ACITIZENS PARTICIPATE IN THE ROYAL CROWN PACKAGING COMPETITION

At ACity, we encourage students to take up challenges that contribute to improving individual and organisational growth. We were proud of our students who participated in this year's Royal Crown Packaging Competition that exposed them to the world of packaging. The competition challenged the students to develop innovative solutions to some challenges facing the packaging industry.

ACity Talks

ACITIZENS EMPOWERED TO OVERCOME CRISIS

In our strive to produce industry-ready professionals, the CEO of Letshego, Ghana, Arnold Parker was invited for a seminar at ACity. This was hosted by the Principles of Management Class on the topic "Managing Organizations During Crisis". ACitizens were enlightened on possible ways in which organizations stand a chance of survival in difficult times.

ACity Community Engagement

LITTLE SUSAN BECOMES YOUNG ACITIZEN

A dream without the right resources remains a dream. Upon citing Berla Mundi of TV3's post about little Susan, a class three pupil showcasing her genius skill of repairing motorbikes, management of ACity considered supporting her. In order to keep young Susan's dreams of becoming a mechanical engineer alive and steer her into achieving them, ACity provided her with educational assistance and mentorship through her basic education. It's our hope that it keeps the spark of her dream lit.

ACITY PARTNERS NSMQ TO HOST MAIDEN EDITION OF STEM FESTIVAL

The maiden edition of the STEM festival took place on Academic City campus. This was in partnership with Primetime Ltd. The two-day festival dubbed "Fighting COVID-19 with Innovative Tech Solutions" was aimed at developing ingenious and innovative ideas focused on preventing and curbing the spread of coronavirus. The event brought together students from 10 senior high schools across the country to showcase their innovative projects that could go a long way to address the spread of COVID-19.

ACITY JOINS HANDS WITH GES TO HOST STMIE FESTIVAL

Over 200 senior high school students were assembled at ACity to participate in the Ghana Education Service STMIE (Science, Technology, Mathematics, Innovation, Education) camp. The event provided the opportunity for the students to complete a series of experiential tasks in STEM. Activities included project demonstrations and exhibitions.

Pawan Varyani, Director of Strategy for Academic City University College expressed his appreciation saying, "ACity is grateful for the opportunity to partner with GES and the Ministry of Education to provide the way for private institutions and government to further collaborate and leverage expertise from both sides, to ensure quality access to education for all youth."

ACity Life

AND THIS IS HOW WE END THE SEMESTER IN ACITY!

All work and no play they say makes Jack a dull boy. Sad that Jack is not an ACitizen because in ACity, we know how to wind down after a long semester. We sent our students to Peduase Lodge to relax after a long semester. Nobody looks dull in these pictures
